

Office of the Dean

TO: Currently Enrolled Students

FROM: Patti Baker, Executive Assistant to the Dean

SUBJECT: 2017 - 2018 Scholarships

DATE: February 13, 2017

During the coming months, we will be meeting to determine scholarship awards for the **next** academic year. So that we know which students want to be considered for School of Architecture, Design & Planning scholarships, we will need you to complete the attached Scholarship Interest Form. While there are various criteria and guidelines that determine eligibility for each scholarship, any student who wishes to be considered for School scholarships that are based on financial need **must complete a FAFSA for the 2017-2018 academic year (available after October 1, 2016)**. If you are an international student and you wish to be considered for School scholarships that are based on financial need, you will need to complete an International Student Need Analysis Worksheet which can be found at <http://affordability.ku.edu/forms>. Although most awards are based on need and academic performance, there are a few funds that are targeted for students from particular geographic areas, ethnic backgrounds or with particular interests.

If you will be in your third or fourth year of your academic program during the next academic year and are currently receiving a KU Renewable Scholarship, you will need to complete the attached Scholarship Interest Form so that we can identify a specific fund to cover your KU Renewable Scholarship with.

The deadline to submit your completed form to THE DEAN'S OFFICE (206 MARVIN) is **4:00 PM on Friday, March 10, 2017**. Please note that electronic submissions will **NOT** be accepted.
